QUALIFICATIONS

Managing Partner of Lewis Brisbois Bisgaard & Smith, Sacramento office from 1992-2001. Duties included budget oversight and management of attorneys. Two years as Managing Partner of Mackenroth, Seley & Anwyl. Founding Committee Member of LBBS Transportation Litigation Practice Group in 2005.

Trial Experience: 35 civil cases tried to verdict as lead counsel. Trials included product liability, general liability, bad faith, automotive and trucking issues. In high exposure cases, responsibilities included supervision of trial teams, and implementation of state-of-the-art technology (Trial Max, Visionary and PowerPoint presentations). *Stephen v. Honda* was the first case in which virtual reality evidence (stereoscopic 3-D video) was presented to a jury in the United States (See article by Jeffrey Dunn, www.lectlaw.com/files/lit04.htm).
