Website: www.seleylaw.com

11 Natoma Street, Suite 160
Folsom, California 95630
Telephone: (916) 608-9500
Facsimile: (916) 583-7301

QUALIFICATIONS

Founding partner of The Seley Law Firm, and Managing Partner of Seley & Cote LLP.

Managing Partner of Lewis Brisbois Bisgaard & Smith, Sacramento Office, from 1992-2001. Founding Committee Member of the LBBS Transportation Litigation Practice Group in 2005

Two years as Managing Partner of Mackenroth Seley & Anwyl

Trial Experience: 35 civil cases tried to verdict as lead counsel. Trials included product liability, general liability, bad faith, automotive and trucking issues. In high exposure cases, responsibilities included supervision of trial teams, and implementation of state-of-the-art technology (Trial Max, Visionary and PowerPoint presentations). *Stephenson v. Honda* was the first case in which virtual reality evidence (stereoscopic 3-D video) was presented to a jury in the United States. (See article by Jeffrey Dunn, www.lectlaw.com/files/lit04.htm.)

Publications and Professional Recognition:

Defense Research Institute - *For the Defense* - February 2005, *How to Defend When Technical Data is Involved*

Speaker: American Honda Motor Co., AEGIS, Swift Transportation, CEB-Civil Litigation and Association of Defense Counsel, Northern California.
